## MOLEWOOD RESIDENTS ASSOCIATION NEWSLETTER - JANUARY 1980

### EXCAVATION OF GRAVEL AT WARE PARK FARM

Redlands Ltd. have now re-applied for planning permission to excavate part of the site previously proposed. The new application would still involve the use of the washing plant at Waterford and so all previous objections concerning lorry traffic along Sacombe Road still apply.

The County Council have informed us that as this is a new application letters of objection concerning the previous application may be disregarded. Residents are therefore urged to write new individual letters of objection referring to the September public meeting, to the petition, and to any previous individual letters on this matter. Letters should be addressed to : Mr. G. Steeley, County Planning Officer, Hertfordshire County Council, County Hall, Hertford, and should arrive before the end of January.

From the point of view of Molewood Estate, the most important point to stress is the need to close the Waterford washing plant to reduce rather than increase heavy lorry traffic down Sacombe Road.

### REAR ACCESS ROADS AND FOOTPATHS

A number of complaints have been received by committee members concerning the illegal use of rear access roads and footpaths (e.g. the alley to the rear of Lys Hill Gardens). Residents are reminded that such pathways are the private property of the few houses they directly serve and are not general rights of way.

### LIGHT AIRCRAFT DANGER

A light aircraft has been reported performing dangerous acrobatics over Molewood Estate. The police were called in on one occasion and the Civil Aviation Authority has been notified. If there are any further complaints please make a note of the time and identification number of the aircraft and pass the information to any committee member.

### LOCAL INFORMATION

Enclosed with the newsletter is a selection of local information which it is hoped will be of general use. Any corrections or omissions should be addressed to the newsletter editor.

### SOCIAL EVENTS

The cost of an organised trip to a Wembley Football match has proved prohibitive, but alternatives are being considered.

SOCIAL  
and  
TALK ON THE HISTORY OF HERTFORD

Wednesday February 6th  
7-30pm

RIVER ROOM - CASTLE HALL

The bar will be open and light refreshments will be available.

\* \* \* \* \*

Tickets, price 20p, are available from members of the committee and from Reg and Jillian Harman, 67 The Avenue - (next to the shops).

Social functions used to be a regular and popular feature of the activities of the Residents' Association but for several reasons these have lapsed in recent years. During this time many new residents have moved onto the estate and it is with these people especially in mind that we have organised this social and talk on the history of Hertford by Mr Baden Brown. We do hope that you will come.
