MOLEWOOD RESIDENTS ASSOCIATION - NEWSLETTER

April 1981

ANNUAL GENERAL MEETING

This will be held this year on May 6th at Bengo Junior School, starting at 8.00 p.m.

The committee will be elected for the next year - and anyone interested in joining the committee should return the appropriate nomination form to be circulated shortly.

After the AGM there will be a wine and cheese party - free of charge to members of the association.

COURT HOMES LTD

Court Homes now appear to have dropped their interest in building a housing development in the gravel pit area at the rear of the Avenue. There are no further plans for development there.

DUMPING OF GARDEN RUBBISH

Some complaints have been received about garden rubbish being dumped on the land at the rear of the Avenue. This creates a general nuisance and is discouraged. Anyone with a specific complaint should write to the MRA committee.

DRAINS

A number of people have considerable trouble with drains on the estate - due apparently to poorly designed drainage slopes. In some cases the problem becomes so severe that specialist equipment is needed to clear them. If there is sufficient interest the equipment can be bought by the Association and made available for use by members. Please make your views known to any member of the committee if you are in favour of this.

BARN DANCE

The Barn Dance organised by the Association was very successful - more than 80 tickets were sold and an enjoyable evening reported by all who took part. This has encouraged the committee to hold further social events of this type.
