Mr. J. Barnes		9 Cumberland Close
Mrs. L. Strudwick		11 Lys Hill Gardens
Mrs. P. Ovenden		11 Cumberland Close
Mrs. Williamson		134 The Avenue

In the near future one of the above Committee members will be calling on you to ask you to join the Association or to renew your membership. He or she would also like to know your feelings on the other topics described in this newsletter. Please give us your support and make this a worthwhile Association.

### BABY SITTING CLUB

For those who wish to go out and about and find baby sitters a problem, a baby sitting club exists and rules have been drawn up. If you wish to join or require more details please contact Mrs. V. J. Patient, Hertford 2383.

### CALLING NURSES AND TEACHERS

As you know there is a waiting list for both the Pegs Lane and Sele Farm day nursery and very little hope of your child gaining entrance before 4½ years. However, it appears possible that if we could provide from our members a number of ladies who would, as the result of nursery facilities, return part time to either of the professions we will be able to approach the Authorities with a view to setting up a nursery school on or near the Estate. Again it is up to you and if you are interested please say so when our Committee member calls.

### PROPOSED OUTING

If support is forthcoming it is proposed to organise a day outing to the coast by coach. The cost would be about 9/- per head, and it would take place on a weekday during August. We would ask you to make a firm booking when our member calls. Children under 3 travel free.

### PLAY SPACE

Following a number of letters from both the Council and Messrs. H. C. Leach a member of your Committee is now actively pursuing this matter with the idea of providing an equipped childrens playspace on our estate.

### OTHER ACTIVITIES

If there are any other activities you would like to see organised now is the time to speak!
