EVENING CLASSES

Wednesdays from 7.30 to 9.30 p.m. for six weeks starting 6th November, 1968 at the new Bengoe JMI School, Sacombe Road, - CHRISTMAS COOKERY. The cost will be 15/- for the course and the tutor will be Mrs. Squires.

The Course is provided by Ware College which hopes to arrange after Christmas short courses in Hair Care and Make Up, Crochet Work and a two term course in Dressmaking.

Naturally, the College will want to see whether the response to their first course is sufficient to warrant the provision of other courses so, it is up to you. If you would like to have evening classes here in Bengoe, please support us by coming to enroll on Wednesday, 6th November for "CHRISTMAS COOKERY"

.....

SAFE DRIVING

A Safe Driving Competition, organised by the Sele Farm Motor Club, was held at Hartham Common on County Day. Thanks to the energy and enthusiasm of Mr. Alan Beaton, 15 Desborough Close, two teams were entered by this Association. We are pleased to announce that, despite keen competition, the teams took both the first and second places. A silver cup and medals were presented to the winning team. The cup is to be inscribed with the Association's name and will be competed for again next year. The prize for the best individual performance was won by Mr. Raymond Byatt, 48 The Wick. Congratulations to all those who took part.

SUCCESS: A Letter box in The Wick

TREES

oooooooooooo
iiiiiiiiiiiiii

The Committee have agreed to spend £25 on trees, wire guards and stakes for the greens in Lys Hill Gardens and the green at The Drive end of The Avenue. This is the initial stage of our tree planting programme. The Committee intend to plant trees in other areas of the estate, if so desired by the residents (and with their collaboration), as and when funds are available.

Your kind co-operation in preventing children damaging the trees in any way will be much appreciated. Dog owners are requested not to let their pets succumb to the temptation of treating these trees as marvellous new D.W.C's

.....

OBSERVATION: It is not surprising that women drive slowly. They will do anything to stay under thirty!
