ROYAL WEDDING CELEBRATION

The results of our recent questionaire suggest that about 22% of the members would like the Association to organise some form of celebration and we have therefore set up a sub-committee for that purpose. At the moment the members of the sub-committee are -

Bernard Catt	59 The Avenue	51434
Pam Lutner	107 Cowper Crescent	51329
Yvonne Rhodes	20 The Avenue	57371

- and they will coopt helpers as required.
The events being considered for 29th July are a party in the late afternoon for children and a dance/disco in the evening for adults. If you are prepared to help in any way, please contact one of the members of the sub-committee.

FAMILY FOOTPATH WALK

SUNDAY 12 JULY

Last year, at about this time, we arranged a footpath walk, which was suitable for all members of the family. We are repeating the event this year on Sunday 12 July. Cars will meet outside the shops on The Avenue at 2.55pm for departure at 3.00pm. The walk will follow a circular route. There will be a stop for a picnic tea and later a stop at a country pub. Please ring Michael Scott (53621) for further details or if you need transport. Return to Bengeo would be at about 8.15pm.

THE MARRIAGE OF FIGARO

ROYAL OPERA HOUSE

THURSDAY 16 JULY

For some time we have been considering the possibility of organising an outing to London for members of the Association, and we have just obtained tickets for the performance of The Marriage of Figaro at the Royal Opera House on Thursday 16th July. The seats are in row E of the amphitheatre.
A minibus will leave from outside the shops in The Avenue at 5.45pm to take the party to London, and it will return them from the theatre after the opera to home.
The cost is £6.50 per person, which includes the seat at the opera and the return transport.
We have only a small number of tickets - so if you would like to come, please ring 53621 - now.

BALL GAMES

In spite of the fact that there is a by-law forbidding ball games on the greens of the estate, we have received a number of complaints about these. If you have older chidren, please would you try to ensure that they do not play ball games on the grass areas of the estate, but in the recreation field behind The Wick.

LITTER

Some areas of the estate have become spoilt by litter. We would like to urge all residents to do all they can to remedy this.

INFORMATION

We have received a letter from the Chairman of the Governors of Bengeo School, expressing the views of the governors on the proposed sale, by the County Council, of the spinney between the recreation field and Cowper Crescent. They are opposed to the sale because they feel that local children at present derive much pleasure from the land and the school might, in the future, benefit from it.

CAR PARKING

Sometimes the committee receives complaints about cars parked dangerously, on or near the estate. If you notice a vehicle in such a situation you should make a note of the registration number and telephone the police immediately.
