CHESS TOURNAMENT

In view of the comments received since the last Newsletter regarding a chess tournament, it has been decided to arrange such an event providing we can obtain two persons to officiate.

GRASS CUTTING

The Committee are in constant contact with the Council regarding grass cutting in the area. One or two areas such as Cumberland Close have not had the grass cut for some time, and this matter is being pursued with the Council.

GARDEN CENTRE

Since the last Newsletter was issued it is understood that revised plans have been submitted to the Council regarding the Garden Centre. However nothing further has been heard in respect of this project.

ASSOCIATIONS RULES

The Associations Rules have now been reprinted and are in the process of being delivered to all paid-up members.

LOCAL REFUSE TIP

After receiving complaints from members about the closing times of the local refuse tip in the Watton Road, the Association wrote to the Council seeking clarification of opening and closing times. We have been informed that the tip is open from 8.00am. to 8.00pm. daily at the present time.

AUTUMN GARDEN COMPETITION

It is proposed to hold an Autumn Front Garden Competition. However, according to the gardening reports the inclement weather has delayed plants and therefore judging will take place during the latter part of September.

THE YOUTH ASSOCIATION

The Bangeo Youth Association are in the process of launching a £5000 Appeal for a building fund. Cash Donations would be very much appreciated to achieve this target in a very worth while cause.
It is proposed to organise a raffle and if any member can spare a prize for this draw the item will be very welcome. Tickets for this draw will be on sale from mid September, price 5 pence per tickets.

The draw will take place at a dance to be held at Crouchfields on Friday 28th October 1977. The price of Tickets for the dance will be £2. per head which will cover the cost of a live band and a hot buffet. Bar facilities will also be available.

The numbers permitted at the dance are limited so obtain your tickets early to avoid disappointment.

The Annual General Meeting of the Youth Association will be held on Tuesday 18th October 1977 at the Parish Hall, Duncombe Road, commencing at 8.00pm.

The Youth Association urgently require a new Chairman and Secretary as it is with regret that Graham and Joan Simons will be leaving the area shortly due to business commitments.

A note for your diary. The Youth Association are holding a Christmas Market Stall on 17th December and donations of new items to sell from this stall would be welcome.

WINDOW CLEANING.

Many members have asked Committee Members from time to time about a window cleaning service. For members' information we have been informed that a new window cleaning service is being commenced in this area. Those wishing to be included on the round should contact Mr. J.W. Hamilton, 76 Mangrove Road, Hertford, Telephone No. 56358.

RECIPES

I hope that some of you tried the recipe in the last newsletter and here is another to try. The children will probably find this most enjoyable.

TOFFEE CRISPIES

4 ozes Margarine (NOT soft margarine)
4 ozes creamy toffees
4 ozes Marshmallows
4 ozes Rice Krispies.

Put margarine in a large saucepan, add toffees and marshmallows. Stir mixture with a wooden spoon, over low heat, until mixture is just blended. Remove from heat. Gradually mix in Rice Krispies until they are all well coated with toffee mixture. Turn out into a greased dish or tin and level the mixture. Leave to set and then cut into pieces.

All items for inclusion in the next Newsletter to be received by 14th October please.
