MOLEWOOD RESIDENTS ASSOCIATION

Newsletter.

CHAPMORE END GRAVEL WORKINGS

A close watch on the access entrance in the Sacombe Road is being carried out, as we now understand that Braziers will be using this entrance. This is contrary to the information we have on file and therefore the Association has taken the subject up with the Council and Shirley Williams M.P.

SACOMBE ROAD FOOTPATH

The Association recently wrote to the Council regarding the poor state of the pedestrian footpath along the Sacombe Road. The Council have informed us that a certain amount of temporary repair work is about to be carried out. We have also been informed that a new footpath has been approved, and will be constructed in due course.

PARKING ... THE WASH

The Police have replied to our correspondence regarding the parking of large lorries at this location. The Police state that they are aware of the hazards being caused and are monitoring the situation.

ANNUAL GENERAL MEETING

Notice is hereby given that the Annual General Meeting of the Association will be held on Tuesday 22nd May 1979, in the Church Hall, Duncombe Road, commencing at 8.00pm.

The Books and Accounts of the Association have been balanced for the fiscal year, and are now being audited. It is anticipated that Reports and Accounts will be circulated to members prior to the Annual General Meeting.

New blood is required on the Committee. A number of Committee Members are not seeking re-election this year. During the last couple of years there has been a vast change in house ownership on the estate. Many of the new owners are members of the Association. How about offering your services on the Committee?

INSURANCE COVER - EQUIPMENT ON HIRE

Last year the Association took out a Public Liability Insurance Policy to insure the use of equipment hired by the Association to its members. This year the premium has doubled and your Committee has decided not to continue with the insurance. It is important that all members who hire our equipment note that the following condition applies in all cases.

> "When members hire the Association's equipment they do so entirely at their own risk"
