As the new chairman of the Association I am writing to invite you to renew your subscription or to join if you are not already a member. Each household on the estate will be visited by one of the committee during the next few weeks for the collection of subscriptions, (50p per household, per year).

The Association, with a membership of over 380 families, is active in maintaining and improving the amenities of the area, in negotiating with local authorities, liasing with the police about local security and vandalism, and in arranging social events.

In the coming year we intend to maintain these activities, to organise social events, and to improve the communication between the committee and members of the Association.

If you have any suggestions about the future of the Association, I would be very pleased if you would let me know.

David Black
(Hon. Chairman)

AGM - NEW COMITTEE

The annual general meeting was well attended this year and was the occasion of a lively discussion of a number of current issues. The finances of the Association were said to be in a healthy state and the level of membership was at a record high level (77%).

The chairman (Reg Harman) announced that he was unable to continue in the position for the coming year, and in the subsequent election of officers', David Black was elected. I am sure we all join in thanking Reg Harman for the large amount of work he has put in for the Association during the last year - which turned out to be particularly eventful.

CURRENT ISSUES

There has been little change in the position on any of the major issues currently affecting the estate.

Redlands Ltd. are still in discussion with the County Council on ways of eliminating lorry traffic from Sacombe Road, after their application for gravel extraction has been deferred twice.

The District Council has not yet met to decide on the Court Homes application. MRA has lodged strong objection to their scheme. MRA is meanwhile pressing the Council to ensure that gravel extraction in the pit is kept within the stipulated limits. These have recently been exceeded, endangering properties backing on to the pit.

No decision has yet been made by the Ministry of Transport on the re-routing of the footpath (C 19) to Waterford.

BENGEO YOUTH CLUB

The Bierkeller held at Danesbury on 29.3.80 was a great success resulting in a profit of about £190. This was divided equally between Danesbury and the club.

The Ex Arsenal/Spurs vs B.B.C. Commentators football match held at the Hertford football ground on 27.4.80 was an enjoyable game ; result Footballers 1 Commen. 4. The weather was an extra bonus, a fine day sandwiched between two cold spells. The profit from this was approximately £800.

The members of the Youth Club Management Committee were concerned with the report of that a large monetary donation made to the club by the Hertford Youth Trust,(M.R.A. A.G.M. minutes for 1979). No money at all has been received from this scource, and on application to the Charity Commissioners by the Trust, it was discovered that the money they hold cannot be split. &. A statement to this effect was made at the A.G.M. on 22.4.80 by Judy Stewart, Youth leader.

NEWSLETTER FRONT COVER

Children of any age are invited to submit drawings for a new design front cover for the newsletter. They should be of appropriate size for reproduction and be in black ink on white paper. The most suitable will be selected by the M.R.A. committee and used as the new front cover for the newsletter.

Please submit drawings in an envelope to the newsletter editor as soon as possible.
