SACOMBE ROAD

VICARAGE LANE

extend path to carpark

Proposed Residential Development of Eight Houses, Sacombe Road, Waterford

- Kissing gates at start and end.
- surfacing only where required (preference for a more natural woodland path)
- opportunity to improve parking at southern end including provision of designated disabled space.

potential disused badger set.

path avoids old oak and goes round meadow area to link in with existing path

parking improvements

existing path through Great Mole Hill wood
